

Metchosin Foundation 2022 Scholarship for Environmental Stewardship

This scholarship will be awarded to a qualified applicant demonstrating concern for environmental issues. Volunteer work on environmental projects and relevant classroom projects will be a principle consideration. Projects might include work on recycling, ecosystem restoration, wild animal care, pollution reduction and remediation, renewable energy sources, etc.

Amount: \$1,000

Fully complete this application to apply for this scholarship. An electronic fillable PDF version is available at metchosinfoundation.ca/scholarships. You can submit this application and accompanying documents via email (preferred method) to metchosinfoundation@gmail.com, or otherwise to your school's career centre, by 3:00 pm on Friday, May 20, 2022. The application and documents may also be mailed in paper form to The Metchosin Foundation, Metchosin Community House, 4430 Happy Valley Road, Victoria BC V9C 3Z3.

The successful applicant will be notified by August 1, 2022 and the award will be presented before August 15, 2022. Please note that for tax reporting purposes, the successful applicant will be required to provide their Social Insurance Number (SIN), which will be stored securely.

Applicants may receive only one Metchosin Foundation scholarship. Receiving other scholarships and financial awards does not disqualify the student from receiving a Metchosin Foundation scholarship.

Submit this application only if:

- You have lived for at least two years inside the boundaries of the District of Metchosin during your time in secondary education, or are a member of the Sc'ianew / Beecher Bay First Nation
- You will be graduating from a BC secondary school in 2022 and have plans for post-secondary education or training
- You are willing to have your name published in Metchosin Foundation communications

Personal Information

Last name: _____ First name: _____

Mailing address: _____

Email address: _____

Phone number: _____

Address, email, and phone number that will be valid in August, 2022, if different from the information given above:

Metchosin Residency

For Metchosin resident applicants, provide the years and the addresses in which you lived inside the physical boundaries of the District of Metchosin.

Education Plans

Outline your post-secondary education plans and future career goals.

Academic Achievement

List your top ten Grade 11 and Grade 12 courses and the percentage you earned in each one (you only need to include courses from the first semester of the 2020/21 Grade 12 academic year).

	<i>Course</i>	<i>%</i>		<i>Course</i>	<i>%</i>
1			6		
2			7		
3			8		
4			9		
5			10		

What is your average for Grade 11 and Grade 12? Add *all* your grades from Grade 11 and Grade 12 courses and divide by the number of courses (you only need to include courses from the first semester of the 2020/21 Grade 12 academic year). _____

Community Service

Describe your involvement in, or leadership of, activities that demonstrate concern for the natural environment.

References

List the names and contact information for two high school teachers who would be willing to speak to your scholarship application:

1. _____

2. _____

Letters of support are not required, but will help your application. Attach supporting letters from any non-family member(s). Please list here the names of those providing letters of support:
